Foreword

High school days are filled with cherished memories. Some you remember better than others, such as that important game you wanted so much to win, your first school dance, the class parties and picnics, the thrill of being a senior, and at last the wonderful feeling of accomplishment when the diploma was placed in your hand.

We, the 1962 Llamarada Staff, hope that this yearbook will become one of your most prized possessions and that you may look back over its pictures and remember the good old days at E.H.S.

We, the Senior Class of 1962, wish to express our appreciation to the man who has served as our sponsor for the past three years by dedicating this yearbook to him. He has been more than just a sponsor to us, for he has been our guide, our counsellor, and our friend. Now we proudly dedicate the 1962 LLAMARADA to

MR. JAMES T. THRASHER

Principal's Message

Dear Colleagues and Students:

It has been a great pleasure to serve as your principal. Because of your fine cooperation, we have had a good year. We must continue to prepare for what lies ahead.

The launching of Friendship 7 has opened up a new ocean in the world of science. It is conceivable that some of our graduating class will be citizens of outer space within the span of our lifetime. It is obvious that we cannot to the slightest extent predict what specific developments will take place, what opportunities will present themselves, what demands will be made on these future citizens whom we are preparing and graduating. We must have inquiring minds, steadfastness of purpose, courage in our convictions, and physical good health to carry out these convictions in order to become adjusted not only to the world of today but also to the worlds that we must anticipate as emerging from even greater scientific accomplishments. With God's help we can meet this challenge.

Senior History

In 1950 the Class of '62 first entered Ellettsville School. They were so small and the school so large that they were shy and scared, but Mrs. Leota McNeely and Mrs. Opha Kinser helped them to forget their fears and soon settle down to the business of learning to read and write. Mrs. Kinser had part of the class in the second grade also along with Mrs. Eudora Mason. Then Mrs. Beatrice Tapp directed them through the third grade. They were surprised when Mrs. Kinser greeted them again in the fourth grade. Mrs. Marjorie Carter and Miss Lillian Lockridge guided them through the fifth grade, and Mrs. Carter and Mrs. Justine Harrell prepared them for the next big step—junior high.

This move was a great change in daily routine for them as for the first time they had lockers, changed rooms and teachers for classes, and held class meetings. Mr. H. C. Weathers and Mrs. Doris Olson were the seventh grade sponsors, and Mrs. Beatrice Overstreet and Mrs. Dorcas Richardson, the eighth. They then handed the class to Mr. Dennis Grafe in the freshman year. They considered themselves very unfortunate (?) because they no longer could have a freshman initiation, but they enjoyed many class activities and had a never to be forgotten banquet planned around a "Tropicana" theme.

During the sophomore year Mr. James Thrasher became the sponsor. The highlight of the year was the ordering and receiving of class rings. In the junior year they honored the seniors with a banquet and prom, "Somewhere over the Rainbow," and presented a play, "Lindy Lou."

And now the time has come to graduate—yes, they are seniors. They have shared many experiences as a class, and with Mr. Thrasher and Mr. Donald Bennett helping them, they have accumulated a host of pleasant memories that will always remain with them and cause them to remember Ellettsville High School with very deep affection and esteem.
